## DIFFERENTIATORS

- **Data underpins everything we do.** Utilizing analytics, we orient our clients to where they are, where they want to go, and how to get there and can adjust based on new insights.
- **We use small, effective teams.** Our team quickly cultivates a deep understanding of how our clients' organization functions – maximizing focus, agility, and impact.
- **We are humble, hungry, and wicked smart.** We bring accomplished consultants with critical thinking skills and 10-20+ years of experience to government, non-profits and commercial organizations undergoing transformational change.
